VERSATILITY GEL – FULL COVERAGE TIPS

3 Gently remove the shine from the nail with a 180-grit file.

4 Shape the nail to desired length & shape.

5 Remove dust.

6 Use a lint free cloth or pad saturated with the ASP 2-n-1 solution to cleanse the nails. Cleanse all nails.

7 Apply Acidless Primer to the natural nail avoiding the skin.

LET'S APPLY OUR STYLISH COFFIN FULL COVERAGE NAILS!

1 Choose the correct sized tip for each finger. Size the tip from sidewall to sidewall

2 Etch the inside of the full coverage nail where Versatility Gel will be to ensure proper adhesion.

PRO TIP

It's better for the form to be slightly bigger than the nail rather than too small.

VERSATILITY GEL – FULL COVERAGE TIPS

5 Remove dust with a nylon brush.

6 Squeeze a medium sized bead of Hold My Hand, ASP Versatility Gel, into the well of the nail tip.

7 Place the well of the tip at the cuticle & gently press down towards you, pushing out any bubbles. Clean any excess product from the skin.

8 Cure for 60 seconds in the LUMINA LED/UV lamp.

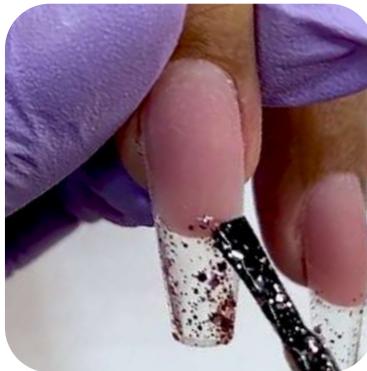

9 Use a 180-grit file to shorten or shape the tips to the desired length.

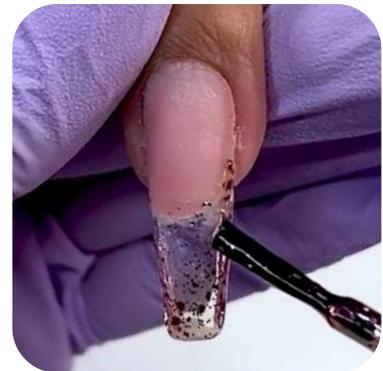

10 Use a 180-grit file or White Polar Block to remove the shine from the surface of the nail tip.

11 Remove dust & debris with a soft brush.

12 Apply Arty Party Gel Polish from the smile line to the free edge & cure.

13 Apply Pretty Little Thing Gel Polish as a 2nd coat & Cure.

VERSATILITY GEL – FULL COVERAGE TIPS

14 Apply Gold N' Glamourous as a 3rd coat to the nail tips & Cure for 60 seconds.

15 Apply No Wipe Top Coat.

16 Cure for 60 seconds.

17 Apply ASP Roll-On Milk & Honey Cuticle Oil to cuticle and massage into the cuticle and surrounding skin.
