# ASP Glass Chrome Nails Application

 **WATCH VIDEO**  
STEP BY STEP TUTORIAL

Create beautiful flawless Glass Chrome Nails in just a few steps.

## PRODUCTS YOU WILL NEED

ASP Zebra 180-grit Nail File, ASP Ultra Birchwood Manicure Sticks, ASP Soft White/Polar Block Four-Sided Buffer, ASP 2 in 1 Dehydrator & Cleansing Wipe, ASP Glass Chrome Kit, ASP Soak-Off Gel Polish, ASP LUMINA Rechargeable Lamp.

### Product Spotlight

Turn any manicure into a show stopper with a mirror-like, glassy chrome finish. ✨

## NAIL PREP

**1** Shape the nail to desired length & shape.

**2** Gently push back the cuticle & remove the shine from the nail.

**3** Saturate a lint-free wipe with ASP 2-in-1 Dehydrator & Cleansing Wipe & cleanse the nail plate.

**4** Apply ASP Base Coat & cure.

**PRO TIP**  
Prep is key—start with clean, smooth nails.

# ASP GLASS CHROME NAIL KIT

## APPLICATION WITH CLEAR

**1** Apply ASP No Wipe Top Coat.

**2** Cure for 60 seconds with the ASP LUMINA Rechargeable Lamp.

**3** Using a sponge applicator, rub Glass Chrome powder over the entire nail until smooth & reflective. Gently brush away excess powder with a soft brush.

## APPLICATION WITH LIGHT COLOR

**1** Apply 1 or 2 coats of a light-colored ASP Soak-Off Gel Polish, curing for 60 seconds in between coats.

**2** Apply ASP No Wipe Top Coat & cure for 60 seconds.

**3** Rub Glass Chrome powder over the entire nail until smooth & reflective. Gently brush away excess powder with a soft brush.

## APPLICATION WITH BLACK

**1** Apply 1 or 2 coats of Black Soak-Off Gel Polish, curing for 60 seconds in between coats.

**2** Apply ASP No Wipe Top Coat & cure for 60 seconds.

**3** Rub Glass Chrome powder over the entire nail until smooth & reflective. Gently brush away excess powder with a soft brush.
